**Interests:** Weightlifting, Travel, Reading, Volunteering

## EDUCATION

**University of South Florida, Muma College of Business**

**Tampa, Florida**

*Bachelor of Science in Business Analytics and Information Systems, Cybersecurity Concentration*

*Expected: December 2027*

**GPA: 3.85 / 4.00**

**Relevant Coursework:** System Analysis and Design, Business Application Development, AI & Analytics, Data Analytics for Business, Financial and Managerial Accounting, Principles of Finance, Database Administration, Business Communication

## EXPERIENCE

**Value Tech Realty Services, Inc.**

**Lutz, Florida**

*Real Estate Data Analyst Intern*

*August 2026 - Present*

- Collect and analyze commercial property and market data from online research, phone interviews, and surveys, organizing it in cloud databases and Excel workbooks that support FHA, Freddie Mac, and Fannie Mae loan submissions.
- Work with senior appraisers to turn property and market data into findings for client-facing appraisal reports and presentations, applying business analytics coursework to surface market trends.

**Self-Employed**

**Tampa, Florida**

*A.I. Solutions Developer*

*May 2025 - Present*

- Develop and deploy custom AI chat agents for small business websites, improving response quality and increasing customer conversions.
- Work with clients to tune conversational flows and integrations, raising engagement while reducing manual support time.

*Independent Crypto Trader*

*April 2026 - Present*

- Execute high-frequency trading strategies in volatile cryptocurrency markets, using real-time market analysis and on-chain data to identify entry and exit points.
- Manage a high-risk portfolio with disciplined position sizing and rapid decision-making under pressure.

## PROJECTS

**CMG Valuation Model | Python, yfinance, Pandas, pytest**

**September 2026**

- Built a Python DCF valuation of Chipotle (CMG) on live yfinance data: 5-year FCF projection, CAPM-based WACC, Gordon-growth terminal value, and an enterprise-value-to-equity bridge.
- Benchmarked CMG against six comparable companies on EV/EBITDA, EV/Revenue, and P/E, then stress-tested the DCF with bull/base/bear cases and a WACC-vs-terminal-growth sensitivity grid.

## LEADERSHIP & INVOLVEMENT

**Delta Tau Delta Fraternity**

**Tampa, Florida**

*Finance Committee*

*January 2025 – May 2026*

- Manage a recurring \$70,000 semester budget funded through member dues, using PivotTables and VLOOKUP to validate figures.
- Deliver analysis to chapter leadership, translating financial data into updates used by the President, Vice President, and Treasurer.

*Academic Chair*

*August 2025 – May 2026*

- Lead structured academic programming twice a week, creating a consistent environment that strengthened chapter performance.
- Set clear participation expectations and maintain accountability to support sustained academic engagement.
